

POLICY ON DONATIONS AND AIDS

Park Elektrik targets to contribute in economic, social and cultural development and future of the country. In this respect, the Company is sensitive to the social and environmental problems with the approach of corporate social responsibility and adopted the principle of providing donations and aids to support social development of the country and district in which it operates.

Park Elektrik donates and provides assistances, as not to exceed the cap limit of TRY 10 Million in a fiscal period, to the Social Corporations, Associations and Foundations, Educational Institutions and Corporations, Public Institutions and Organizations, considering vision, mission and rules of conduct of the Company in the donations and aids made. The Company informs its investors at each general assembly on this matter within the framework of the Turkish Commercial Code and the Capital Market Law.
